Department
for Education

TELL US ABOUT YOUR DAY AND YOU COULD WIN A TABLET FOR YOURSELF AND £100 FOR YOUR SCHOOL!

How you tell us your decision, be as creative as you want to be – there is no right or wrong way! You might want to type your entry, ask a teacher or friend to scribe for you or even make a video.

WHAT SHOULD I INCLUDE IN MY ENTRY?

That's up to you! But here's some ideas to help you:

- Tell us about yourself
- What's your favourite part of the day?
- What's your least favourite part of the day?
- Who helps you to make your day better?
- What technology or equipment helps you?
- What activities or sports do you like to do?
- How would you rate your day on a scale of 1 to 10?

HOW DO I ENTER?

Please email all entries to nicole.dishington@sdsa.net. Make sure you include your name, age and school and contact details with your entry and check with an adult before sending!

WHAT WILL HAPPEN TO MY ENTRY?

Your entry will be uploaded onto the pdnet website, so that adults who support young people just like you are able to learn about your day and what they can do to help.
